

We Promote Rigor by:

- Supporting and challenging our students through systemic instruction and the Common Core State Standards!
- Through 21st Century Learning, we facilitate opportunities for students to develop skills in collaboration, cooperation, critical thinking, and creativity.
- Students have access to the world of technology through our Chromebooks and iPads, as well as, access to our Apple Computer Lab.

Promovemos el Rigor Mediante:

- El apoyo y desafío de nuestros alumnos a través del plan de estudios de normas fundamentales.
- A través de aprendizaje del siglo 21, se facilitan oportunidades a los alumnos a desarrollar destrezas en colaboración, cooperación, razonamiento crítico y creatividad.
- Los alumnos tienen acceso al mundo de tecnología a través de los Chromebooks y iPads, igual que acceso al laboratorio de computadores Apple
